

**Leave a legacy of
equal opportunity**

**National
Urban League**

**Empowering Communities.
Changing Lives.**

Help us continue to open doors for America's urban minorities

What could be more profound and caring than making a generous planned gift to the National Urban League or one of our affiliates to assure our vital work continues? There are several giving options to consider, including:

- Naming us as beneficiary of a life insurance policy.
- Making a bequest in your will, either specifying an amount or giving a percentage of your estate or assets.
- Giving National Urban league stock, other securities, real estate, or personal property. This may also involve tax benefits for you or your loved ones.
- Establishing a charitable trust benefitting National Urban League.

We will be happy to assist you, and your family lawyer or tax advisor, arrange the legacy gift that meets your estate objectives. To explore the possibilities, please contact Lorna Malcolm at 212.558.5324.

Thank you for caring!
